BOOKER T. WASHINGTON

Advises His People How to Pro-
gress in the World and How
to Put the Race Upon a
Higher Plane.

Philadelphia, Pa., Sept. 19.—Ten thou-
sand people attended the negro Baptist
convention to night at the Exposition and
listened to addresses by Booker T. Wash-
ington and Rev. Dr. Dean Richmond Bab-
bitt, of New York.

Mr. Washington addressed himself to
the church delegates and in the course
of his speech said:

"In a large degree the negro minister,
during the last twenty-five or thirty
years, has been the preserver of peace
and harmony between the races. But for
the forbearance and patience and the
gentle tact of the negro minister many
race riots would have occurred in the
country.

"In a peculiar sense you will find more
and more that it will become the duty
of the negro minister to take the un-
popular side of many public questions.
What we need in an increasing degree
is that kind of leadership in the pulpit
that is willing to stand adverse criticism
to be misunderstood and even abused for
the sake of the right. Our people do
not need flattery so much as they need
facts.

"You will find one of the problems
that is going to press more seriously upon
you for solution in the near future than
in the past is the one of employment
for our people, especially in the northern
cities.

"We can only hold our own in the world
of labor and industry by teaching our
people to do a thing as well as anybody
else, by teaching them to perform com-
mon labor in an uncommon manner.

"We cannot hold our own in the labor
world unless we are constantly taking ad-
vantage of every opportunity to improve
ourselves."

**OWES HIS LIFE TO A NEIGH-
BOR'S KINDNESS.**

Mr. D. P. Daugherty, well known
throughout Mercer and Sumner coun-
ties, W. Va., most likely owes his life
to the kindness of a neighbor. He
was almost hopelessly afflicted with
diarrhoea; was attended by two physi-
cians, who gave him little, if any, re-
lief, when a neighbor, learning of his
serious condition, brought him a bot-
tle of Chamberlain's Colic, Cholera
and Diarrhoea Remedy, which cured
him in less than twenty-four hours.

PUBLIC LIBRARY

John Cotton Dana Will Deliver
Address Saturday Evening
Sept. 3—New Books.

The Public Library is to be congrat-
ulated on having secured Mr. John Cotton
Dana, librarian of the Free Public Library
of Newark, N. J., to give an address at
the library Saturday evening, Oct. 3. As
Mr. Dana is constantly solicited by li-
braries all over the country and has
had to cut out some of the cities in his
contemplated tour, Jacksonville is espe-
cially fortunate in being one of the fa-
vored few.

Mr. Dana represents the most advanced
ideas in library work of the present day
and it is to him that libraries of this
country are looking for inspiration and
help in the effort to broaden their field
of usefulness. He has been in the east-
ern library field since 1885, when he left
the Denver Public Library to become the
librarian at Springfield, Mass. After four
years of pre-eminent successful work,
he accepted the appointment of librarian
at Newark, N. J. which position he now
holds. Mr. Dana is a gentleman of ac-
curate perceptions, a student of life and
of books. "A scholarly man of fine tem-
perament, with a keen insight into the
problems not only of the library world,
but of life in general, radical but just in
his views, with a deep sense of the re-
sponsibility of his relation to his en-
vironment, he has stood in the front rank
since he first entered the work. His per-
sonal qualifications are very attractive,
and a company in which he speaks is al-
ways attentive, and whether his views
meet approval at the moment or not he
leaves a conviction of high purpose and
deliberate judgment in what he says, so
that sooner or later he convinces the
majority of his hearers of the wisdom
of his words."

This will be the first open meeting of
the Public Library. Many of the best
libraries have regular lecture seasons, at
which time prominent librarians from
abroad are invited to tell the patrons
about the progress in other fields and how
their work can be extended and made
more useful.

This meeting has been planned as a
means to bring the library movement be-
fore the citizens of Jacksonville and to
interest them especially in the work of
the Public Library. A special purchase
of new books has been made for this
occasion—these to be displayed on Oct. 2.

The public is especially urged to visit
the library at this time, to examine these
books and to look into the workings of
the library. The librarians and assistants will
be very glad to explain the classification
of the books and the cards catalogue
which are now in process of completion.

A special invitation is extended to the
mothers and teachers of our small patrons
—the work with the children being a
special feature of the library and one of
the most interesting and vital. It is
earnestly hoped that the people of Jack-
sonville will heartily co-operate with the
board of directors and library staff in
giving Mr. Dana a royal welcome and in
making the meeting a success. The sub-
ject of the address and the program of
the evening will be announced later.

REMEDY.**

"B. L. Byer, a well known cooper
of this town, says he believes Cham-
berlain's Colic, Cholera and Diar-
rhoea Remedy saved his life last
summer. He had been sick for a
month with what the doctors cal-
labeled dysentery and could get noth-
ing to do him any good until he tried
this remedy. It gave him immediate
relief," says B. T. Little, merchant,

A. M. E. CHURCH NOTICE.

To the members and friends of Bethel
A. M. E. church, Sept. 20: This is the
fourth and last quarterly meeting for this
conference year. Presiding Elder Rev. N.
J. McCracken will be present and con-
duct the services. On account of sick-
ness we are financially pressed; we there-
fore solicit an honest effort on the
part of all members and friends to bear
each their part of this burden and the
cause of Christ will prosper and each
one will be benefited thereby.

MISSIONARY MEETING.

The Woman's Home Missionary so-
ciety of Centenary church met yester-
day afternoon at the delightful
country home of Mrs. Tyrrell, east
of the city, with a very large attend-
ance. After a profitable hour spent
transacting the business of the so-
ciety, a social time was enjoyed, dur-
ing which the hostess served most
delicious refreshments. The time for
leaving came all too soon and each one
felt that it was good to have been there.

Florida, Sept. 19.—The body of Mrs.
Louisa Smallwood, who was killed in the
C. & P. & St. L. yards at Pekin last Sun-
day while picking coal along the tracks
was exhumed and sent to Iowa for burial.
After her burial Tuesday it was learned
that the woman had saved a considerable
sum of money and search was made for
it with no result.

When the remains were taken up the
casket was opened and the dress in which
the body was prepared for interment was
searched and \$180 in greenbacks was
found sewed in the lining.

**THE PROPER TREATMENT FOR
A SPRAINED ANKLE.**

As a rule a man will feel well satis-
fied if he can hobble around on
crutches two or three weeks after
spraining his ankle and it is usually
two or three months before he has
fully recovered. This is an unneces-
sary loss of time, for in many cases
in which Chamberlain's Pain Balm
has been promptly and freely applied
a complete cure has been effected in
less than one week's time and in some
cases within three days. For sale by

MUNICIPAL TANGLE.

Virginia, Sept. 19.—At an adjourned
meeting of the city council last night a
resolution was adopted directing City At-
torney F. A. Snyden to institute pro-
ceedings to try the title of John Dooling
and Robert L. Duncan to the offices of
city marshal and street commissioners,
respectively, and employing R. W. Mills
as additional counsel. This will bring
the city council difficulties into the circuit
court which convenes Monday, Oct. 5.

Dooling and Duncan are kept in offices
by the mayor in opposition to the wishes
of the council majority who have by resolu-
tion or ordinance declared the offices
abolished and refuse to allow bills for
salaries.

PIONEER A. F. & A. MASON.

The Journal's esteemed friend, Charles Jones, of Lynnville, says his father, John T. Jones, was one of the first Knight Templar Masons in the state and he thinks he was about the first, as he came here in 1831. He was instrumental in getting the fraternity of the state together and organizing lodges of A. F. & A. Masons and chapters of the Royal Arch at an early day and he had the honor of presiding over the first body of Masons assembled in the state. After leaving this place he organized a number of lodges in other towns and cities and finally died in Eureka, after a life which won him the respect of all with whom he came in contact.

DARING HOLD-UP

Thomas Allen Relieved of \$43 and Watch by Three Masked Men Early Saturday Morning.

Thomas Allen was held up Saturday morning about 12:30 o'clock on Clay avenue and robbed of \$43 in money and his gold watch.

Allen was on his way home at the hour named and had reached the alley between Morgan street and College avenue, when three men stepped in front of him and pointing pistols at him ordered him to throw up his hands. They then searched him and obtained his money and watch.

Two of the men were masked and one was a colored man. It was a daring piece of work and cleverly executed. Allen purchased the watch in Chicago, but does not know the number of it and beyond a very meagre description of the robbers the police, who were soon after notified, are without a clue to work upon.

Chief of Police Dunavan and Night Captain Kennedy are making every effort, however, to locate the parties, and the entire police force are keeping a sharp watchout for suspicious looking characters.

Prospect Bright for Large Attendance—New Faculty of Conservatory—Other Departments.

Every young lady about starting to school wants a nice chain, bracelet or ring to afford the finishing touches in dress. Russell & Lyon have received lots of new and beautiful things suitable for the school girls. Go and see them.

It will interest the people of Jacksonville to know that one of the teachers in the Conservatory of Music is of noble birth. Frau Rhanek Sturm was born in one of the feudal castles of Germany, near Dresden, her family being among the first nobility of the old province of Thuringia. Her father was a general in the German army and gave his daughter every advantage in the line of her musical career. After her marriage with Professor Sturm she was under contract to sing for three years in the Royal opera, Berlin, which contract she was only permitted to break in order to come to America by the payment of a considerable sum. Mrs. Sturm has appeared with great success in a number of German operas. She is a composer of no small talent and has written a number of songs of high merit, which her husband has translated and set to music.

Professor Sturm, while a native of America, has received most of his musical education in Germany. The famous composer, Carl Reinecke, has said of Professor Sturm: "At the time of the unveiling of the Schumann monument at Zwickau I had the pleasure of hearing Mr. Louis Sturm play the Schumann piano concerto, as well as other solo and found him a finished virtuoso and a profound musician—one who will surely make a great name for himself in his native land, America."

The court conductor of the grand opera at Karlsruhe, Rudolph Gross, says of Professor Sturm: "He is a perfect piano soloist and teacher of this instrument. He is in every particular (having at the same time great theoretical knowledge) an out and out, genuine, fine feeling musician with careful conceptions and eminent technical ability. Also as a performer of classic and modern chamber music he has ever proven himself thoroughly equipped."

"Herr Hans Winderstein presented us an entirely new artist, as soloist in the fourth concert of his series, in the person of Mr. Louis Sturm, born in America, but now of Frankfurt, O. M. Mr. Sturm was down on the program for the G Minor Concerto of St. Saens. We were very anxious to hear how the American would accomplish the task of playing this immensely difficult and yet so graceful composition.

"We were just as much astonished as rejoiced to be able to state that it was a master who played. Light and full of grace were the light and delicate passages of the second movement, full of energy and fire the first and last movements; and the whole was so musically interpreted and played as only a master can interpret and play." Professor Sturm will be at Academy hall Monday and Tuesday from 9 to 12 a. m. to arrange with pupils.

Miss Elsie Cooper, from Fort Huron, Mich., arrived Friday evening to take charge of the Intermediate department at the Academy. Miss Cooper was educated at the State Normal college of Michigan at Ypsilanti and at the university in Ann Arbor. For five years she served as principal of the Jonesville high school, one year did substitute work in her own alma mater at Ypsilanti and the last two years has been principal of the Rockland, Michigan high school. She comes here as a highly successful, up-to-date teacher, who will bring to her pupils and her work the inspiration of the latest methods. She will have under her direction all the pupils from the eighth grade and under. Monday and Tuesday mornings from 9 to 12 she will be at Academy hall to consult with patrons. School opens formally Wednesday morning at 9 o'clock.

The kindergarten department, which will open Monday morning, Oct. 5, is to be conducted by Miss Grace Barnes. Miss Barnes is a graduate of two of the well known kindergarten colleges and has been for six years director of kindergarten in Los Angeles, Cal. Miss Barnes will conduct the kindergarten along the most advanced lines. There will be only a limited number of pupils admitted to this class.

AN EDITOR'S OPINION.
Our readers will be interested in the statement by Mr. John Edmonds, editor of the Daily and Weekly Courier at Lincoln, Ill. I take pleasure in recommending Re-Go Tonic Laxative Syrup as safe and effective, without any gripping or nauseating effects common to similar remedies." 25c, 50c and \$1 bottles sold by Lee P. A NATURAL RESULT.

It is very reasonable to suppose if the foundation of a structure was removed that the building itself is bound to come down. This same principle can be applied to disease. Take away the cause of sickness, and the illness leaves of itself. Dyspepsia, indigestion, sickheadache and biliousness have their foundation in stomach disorders. Remove this weakness and the other symptoms are no more. There is one cure for this that all druggists sell for 25c per box, it is called Dr. Gunn's Improved Liver Pills. They get right at the beginning of these diseases and make the cure by taking away the cause of it. We will send a small box free by mail, or a large box on receipt of 35c. Address Dr. Gunn, Philadelphia, Pa.

SPRINGFIELD WINS.

Conference Decides on State Capital for 1904—Ministerial Delegates Chosen—Other News.

Quincy, Sept. 19.—The sun beamed warm and generously upon the M. E. conference to day and the delegates who forgot to bring their overcoats were again comfortable and happy. The day also gave promise of a glorious Sabbath in which the visiting clergy will fill the pulpits of nearly all the local churches. It is possible that Governor Yates will visit the conference to-morrow.

The lay delegates from the Illinois conference will go to the general conference instructed to support the five-year limit of pastors in their charges. A resolution to the effect that the delegates be instructed to support a four-year limit movement was killed by the committee on resolutions.

The resolution was taken before the conference by J. N. Hairgrove, its mover. His object for supporting this was simply "so that the Methodist church could claim some difference from other churches," and be accepted an amendment to make the limit three years, when an amendment to that effect was made. He had supporters, but not for the reason he gave.

The three-year amendment was changed to five years and then a tie vote was taken twice to decide whether the matter should come before the house or be tabled. The chairman decided in favor of the amendment. The matter came before the house, and the delegates were instructed to support a five-year limit movement.

OTHER RESOLUTIONS. A resolution supporting the local option movement was passed. Also: That the supernumerary relation be put on the three-year limit.

That the representation of delegates be changed from 1 to 45 to 1 in 90 laymen for the general conference. SPRINGFIELD NEXT YEAR.

The conference will meet in Springfield next year. Jacksonville and Farmer City were both in the race, but the conference next year will meet at the First church, Springfield.

Every seat in the auditorium was filled and the side balconies taken up with an expectant throng, waiting to hear Chicago's premier Methodist preacher, Dr. J. P. Brushingham, last night. The lecture was well worth the price of admission, 35 cents. The doctor took another audience's scalp last night; he drove another peg in his series of successes, and he can cut another notch in his record stick. He is a self-possessed speaker who says something worth saying and does it well.

MORE DELEGATES. The following were elected to the general conference Saturday morning from the ministerial conference:

E. G. Springer, presiding elder of Jacksonville district, 110 votes.

A. C. Byerly, presiding elder of Springfield district, 108 votes.

J. W. Miller, pastor of the church at Urbana, 99 votes.

Alternates: The alternates were elected by motion from the three who received the three highest votes: C. B. Taylor, presiding elder of Bloomington district, 89 votes; Horace Reed, presiding elder of Decatur district, 82 votes; H. H. Oneal, pastor of the Grace church, Jacksonville, 81 votes.

CONFERENCE NOTES. Bishop Fowler said at the Quincy conference: "There is only one bishop that can let you out of the ministry honorably, and that bishop is the undertaker." This seems to be unfair to the physician.

Rev. T. B. Smith, for many years pastor of the M. E. church at Waverly, Morgan county, has resigned from the ministry with the intention of taking up the practice of law. He studies law while actively engaged in his duties as pastor and was recently admitted to the Illinois bar.

SUNDAY SCHOOL CONVENTION.

The county Sunday school convention will be held at Franklin this fall the last week in October, as has been decided by the president, A. C. Rice. Due announcement will be made later and the program published as soon as it is decided on by the committee.
